Online information evening about infertility

**February 6, April 2nd,
June 4, 6. August 6,
October 1st,
December 3rd, 2024**

ONLINE INFORMATION EVENING

Why is it that the desire to have children has not yet come true? What examinations and treatments are recommended for men and women? What are the chances of success? What role do factors play such as age, lifestyle, diet and body weight? How much does a treatment cost or what do the health insurance companies pay, and what are the legal bases for fertility treatment?

At our online information evening, we provide you with detailed and non-binding information on the subject of infertility.

We explain the various treatment options that we offer at our clinic and explain their chances of success and costs.

Afterwards, you will have enough time to ask any questions that may arise during the evening.
